Divisions of Play

USSSA Basketball offers five divisions of play:

- Div I - Elite Teams
- Div II - Competitive Teams
- Div III – Developing Teams
- School
- Recreation

Protest

All roster protest must be filed in writing accompanied by a \$100.00 protest fee (refundable if the protest is valid) with the Tournament Director within one (1) hour of the conclusion of the protested game. If the protest is valid, the protested team forfeits all previous games. Upon

protest, teams must provide proof of eligibility. (See roster rules for acceptable proofs of age and grade).

- All non-roster protest must be filed in writing within one (1) hour of the conclusion of the contest and must be accompanied by a \$100.00 protest fee (refundable if protest is upheld). Official's calls are not grounds for a protest.
- Tournament Directors rulings on protest are final.

Mercy Rule

Once a team is leading by 30 points anytime in a game, the clock will continue to run. The only time the clock will stop is for injuries or timeouts. If the lead falls below 20 points, the clock will again be stopped for all whistle stoppages.

Tie-Breakers

- Two Teams Tied: Head-to-head result.
- Three or more teams: Point Differential System will be used. Teams will receive a point differential per game up to a maximum of plus 15 points for a win and a maximum of minus 15 points for loss.

The team not involved in the tiebreaker will have its games eliminated. The team with the highest point total will win the tiebreaker and the second highest number will be seeded second, etc. If two teams are tied with points, then revert back to head-to-head. If there are still three teams tied, the team with the fewest points allowed in ALL games played in pool play wins. A forfeit is scored as a 15-0 game.

Concussions

USSSA, as a sanctioning body of athletic events, shares the concerns being raised on a national and local level regarding concussions and concussion symptoms in participants, coaches/managers and umpires/referees in USSSA sanctioned activities. USSSA encourages its directors, umpires, coaches, referees, teams, team managers, and all adults involved in youth activities and participants to learn all they can about concussions in athletics and requires each of them and each of the USSSA directors to follow all federal, state and local laws (including concussion training and reaction laws) with regard to athletic competition sanctioned by USSSA. In addition, USSSA has added the following to the rule books of each USSSA sport which does not defer to another organization for its rule book.

Upon becoming aware that a participant or coach/manager of his team has received a suspected concussion (or has been struck in the head area with any significant force), the Team Manager will not allow that person to participate in any USSSA sanctioned event and if occurring during a USSSA sanctioned event, shall have that person removed from the playing field of any USSSA

sanctioned event. Upon becoming aware that a participant, coach/manager or official/umpire/referee has received a suspected concussion (or has been struck in the head area with any significant force), a USSSA official/umpire/referee or director will have that person removed from the playing field of any USSSA sanctioned event. Without a written medical clearance from a licensed medical doctor to return to play, such persons will not be allowed to return to the USSSA playing field in a USSSA sanctioned event. For officials/umpires/referees, the medical written consent must be presented to the Team Manager and retained permanently by the USSSA State Director. For participants and coaches/managers, the medical written medical consent must be presented to the Team Manager and retained permanently by the Team Manager. Any Team Manager, who allows a coach/manager or participant back on a USSSA sanctioned event playing field without first obtaining the required written consent, may be suspended by the State Director for up to one year and upon request of the State Director, may be suspended for a longer duration by the USSSA disbarment committee. State Directors allowing an official/umpire/referee back in the field of play without the necessary consent will be subject to being disciplined as determined by the USSSA Board of Directors.

In the event of severe head trauma in a USSSA sanctioned activity, the injured person will not be moved and an ambulance will be called, unless otherwise directed by a qualified medical professional. The parent or guardian of the injured person, however, will not be bound by this protocol and may choose a different approach consistent with their legal rights as the parent or guardian.
